&&&&

In the refrence 1st read above, the Registrar of SRM UNIVERSITY, Neeru Konda, Guntur District has requested the Government to grant permission to construct all their academic buildings with a height up to 65 meters in the same manner the height permission of 45 Meters was granted to VIT-AP.

2. In the reference 3rd read above, the Director General, State Disaster Response and Fire Services, Andhra Pradesh, Vijayawada has stated that as per the provisions of the National Building Code of India, 2016 (Part-4 Fire and Life Safety), the construction of educational occupancy buildings exceeding 30 meters in height not to be permitted. Therefore, such permissions should only be considered by the Government after obtaining a comprehensive technical report from a Departmental Technical Committee evaluating all relevant fire safety measures.

3. He further stated that in the case of VIT-AP University, the Government vide G.O. RT NO.702, Home (P&F) Department, dated: 02.08.2018 have accorded permission for construction up to 45 meters height based on the recommendations of the Technical committee with other Departmental Officials.

4. While stating above, the Director General, State Disaster Response and Fire Services, Andhra Pradesh, has requested the Government to constitute the Technical committee to evaluate all relevant Fire Safety Measures and to submit a comprehensive technical committee report for Educational building up to 60 meters height.

5. After careful examination of the matter, the Government hereby constitute a Technical committee with the following members to examine the proposed construction of academic building up to 60 meters in height at M/s. SRM University, Neerukonda, Mangalagiri Mandal, Guntur District and to submit a detailed report on the fire safety measures to be taken in accordance with the relevant provisions and guidelines.
